A* Family Perspective ~ June 20th – *Twelfth Sunday of Ordinary Time ~ Just as the apostles in today's gospel were amazed at the power of Jesus so our children are amazed at our lack of fear of dark rooms or monsters in closets or under beds. As the apostles depended on Jesus, children depend on us to restore quiet to their lives. Getting out of bed at night to quiet a child's fears is the stuff of holiness.

NEWS FROM OUR NEIGHBORS

➢ ***Anniversary Mass*** **~** Thank you for your witness to the Sacrament of Marriage. ➢ ***The Silent Victim ~*** In the DVD "*The Silent Scream*" where an unborn child attempts to escape the abortionists suction curette; her motions can be seen to become desperately agitated and her heart rate doubles. Her mouth opens as if to scream, but no sound can be heard. The pro-abortion movement and lobby thrives on having a silent victim. Every pro-abortion argument requires that we pretend, that we play mind games, that we forget, ignore, or deny the humanity, worth, and dignity of unborn babies. It thrives on our ability to disregard innocent victims as long as they are out of our sight and voiceless. Tell a lie often enough and people will eventually believe it. Just consider their terminology (with words such as "fetus" "pro-choice" "non-viable" etc) which is carefully designed to disguise the humanity of the unborn child and obscure what abortion really does. This is the story of the pro-abortion deception of America!
