***Today is World Mission Sunday ~***

We celebrate this day by remembering our baptismal call – to bring the Gospel to all! The collection today for the Society for the Propagation of the Faith supports the work & service of the mission Church, as it provides for priests, religious, & lay leaders who offer the Lord's mercy & concrete help to the most vulnerable communities in the Pope's missions. Thank you for your generosity.

➤ **Doing Our Part To Change History For The Better** ~ In 1948, The World Medical Association created the Geneva Declaration as a proclamation of human rights. It was a direct response to the atrocities that had been committed by the Nazis. They were coming out of a period where it had been acceptable to kill, mistreat & perform experiments on those who were thought of as inferior. Therefore, the Geneva Declaration was a means for declaring respect for human life. The oath included this clause, "I will have the utmost respect for human life, from the time of conception." However, in 1984, it was altered to no longer acknowledge conception. Instead, they replaced it with the words, "from its beginning." That too did not survive. In 2005, it was deleted altogether, leaving no reference to the earliest stages of life. It's shameful how this literally documents our society's degradation of life. That leads us to the present. What will future generations see in the history we leave behind? The tragic reality is that we have a culture of death where 60 million innocent babies have been denied the right to live in the U.S. Abortion mills thrive across the country where the unborn aren't only killed, but abortionists profit from their "profession." Yet, we have voices that are speaking out affirming the value of life. Technology, via ultrasounds, is showing the world the truth & beauty of development in the womb. Women help centers are located in communities across the country, reaching out to abortion-vulnerable women & saving babies' lives. Pro-life legislation is being introduced on both federal & state levels. Much progress is being made; but make no mistake, it's a bitter ongoing battle. For victory, we must each do our part so that we may

stand at the turning point in history, where this generation will restore a culture of life.

St. Michael the Archangel Secular Franciscan Fraternity in Hicksville is hosting an Adult Retreat on Saturday, November 6, 2021. It will be held at St. John's Catholic Church in Defiance from 9:00am-5:00pm (5:00pm Mass is optional). The theme for the retreat is "St. Clare of Assisi: Inspiration for Our Times."

." Come for a day of discovery about the first Franciscan woman, St. Clare, and how her life can speak to all of us through fascinating presentations, group discussions, and time for reflection and prayer. We'll also have Eucharistic Adoration and the opportunity for the Sacrament of Reconciliation. Please bring your own lunch; beverages will be available. There is no fee but a good will offering accepted. Register via email or phone by November 3: Christopher Bercaw, OFS [chriskofc@gmail.com](mailto:chriskofc@gmail.com) / 419-769-2679 or Jean Wonderly, OFS, [Lwon72@smta.cc](mailto:Lwon72@smta.cc) / 419-542-8053.
