➤ **St. Michael Parish is looking for a part-time lawn care person.** Responsibilities include mowing the lawn, edging sidewalks and flower beds, clean-up of leaves, dead branches, etc. and trimming bushes. Also, we would like this person to be able to help with clearing snow from sidewalks when there is less than 2" of snow. This is a paid position. Anyone interested, please contact Fr. Dan or the Parish Office. Thank you!

➤ **Note from Fr. Dan** - Revised Rite of Penance In 2021, the Bishops of the United States approved a revised English translation of the Order of Penance. It is now ready for use. To most, you will not notice much difference, just a few words changed here and there. For example, in the Prayer of Absolution you will note the following changes: God, the Father of mercies, through the Death and Resurrection of his Son has reconciled the world to himself and **poured out** the Holy Spirit for the forgiveness of sins; through the ministry of the Church may **God grant you** pardon and peace, and I absolve you from your sins in the name of the Father, and of the Son, and of the Holy Spirit. The form remains the same. So, don't be thrown off if you hear a few words that don't seem familiar. May the sacrament continue to be a source of God's mercy and forgiveness for all of us.

## Abortion in America

*"America you are beautiful & blessed. The ultimate test of your greatness is the way you treat every human being, but especially the weakest & most defenseless. If you want equal justice for all & true freedom & lasting peace, then America, defend life". - Pope John Paul II*

- America was founded upon the "*self-evident truth*" that all humans are endowed with the unalienable right to LIFE. Yet a baby is aborted every 23 seconds in the U.S. Over 4,000 babies are aborted every day. About 60 million babies have been aborted since the decision of Roe v Wade in January 1973. Abortion is truly "*America's holocaust*".
- As a result of Roe v Wade & sister case, Doe v Bolton, America has some of the most liberal laws on abortion in the world, effectively allowing abortion on demand throughout the whole nine months of pregnancy.
- The abortion rate in the U.S. is higher than Western Europe & Canada. It is not as high as the rates in China, Cuba & the former Soviet Union countries which have reached epidemic levels.
- Teenagers constitute around 20% of all abortions in the U.S. About 55% of minors who have abortions do not tell their parents.
- 17 states use public funds to pay for abortions, so about 15% of all abortions in the U.S. are paid for with public money. Our tax dollars fund Planned Parenthood, the nation's largest abortion provider & promoter of casual sex & abortion.
