YOU NEED TO READ THIS!!!

**Would you want
our child to have a
life-altering,
MAJOR medical
procedure without
your knowledge or
permission!? This
could be on the
ballot this year.**

**If this amendment
passes, this could
be the case for
many families
across the State
of Ohio.**

Protect Women Ohio

Protect Women Ohio is a coalition of concerned family and life leaders, parents, health and medical experts, and faith leaders in Ohio committed to fighting back against the abortion industry's dangerous proposed amendment.

This amendment would:

Erase the basic rights of parents.

- Parents would not need to provide consent or be notified before their minor daughter undergoes a life-altering procedure, like abortion or sex-change surgery.
- Language similar to the language in the proposed amendment has been interpreted by courts to nullify parental notification and consent laws. Any law that "directly or indirectly" would "burden" or "interfere" with "reproductive decisions" is specifically forbidden - meaning parents could be cut out of the most important decisions their children make.
- Amendment drafters like the ACLU have been fighting against parental rights for decades. Ohio parents are their latest target.

Jeopardize basic health and safety protections for patients when it comes to abortions.

- The radical amendment would likely abolish existing health and safety protections for women, like those requiring that pregnant women seeking an abortion be screened and counseled by a licensed doctor who could transfer her to a hospital if something went wrong.

Allow painful, late-term abortions, even after 15 weeks and right up until the moment of birth.

- The amendment would greenlight abortion all the way up to birth by giving abortionists the final say on what's allowed.
- Constitutional scholars Carrie Campbell Severino and Frank J. Scaturro recently wrote in their legal analysis that the amendment language would "effectively obliterate most limits to abortion or sex-change surgery." Accessible here: <https://www.nation-alreview.com/2023/03/ohios-disastrous-abortion-ballot-proposal/>

This amendment is dangerous and extreme. It threatens parental rights and the health and safety of women in Ohio, and permits painful, late-term abortions.

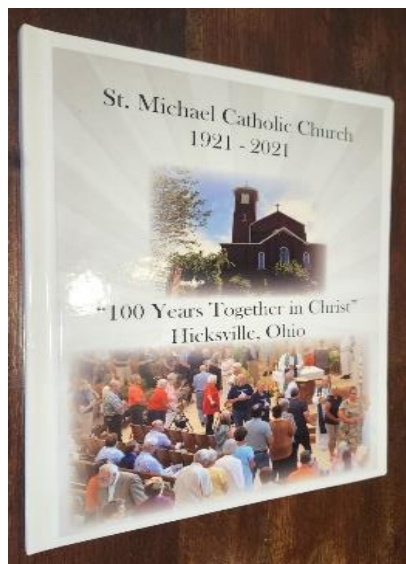

Join Protect Women Ohio today to defeat this radical amendment.
