A Family Perspective ~ September 17th – 24th Sunday in

Ordinary Time -- Unable to forgive another, means we are holding onto a past wrong and hoping for a better past. That is not going to happen. We must move on with our life by accepting we were unjustly treated and it will not be corrected. We aren't condoning the injustice. We just don't let it control our lives any longer. ***Forgiveness is critical to living a healthy life in the present.***

NEWS FROM ST MICHAEL

➤ **TEMPLARS TODAY--CATHOLIC TEMPLARS OF THE UNITED STATES**--There are pamphlets on the table across from the elevator upstairs that give information about the Templars, who were recently at our Parish. Whether you're just curious or interested in more information, pick one up. This pamphlet gives great information, history, and current information, including a link to the AUTHENTIC website that gives even more info. Were you curious about their clothing? For the Men: The white mantel cloak of the ancient Knights of the Temple with the frieze of a red embroidered patent cross on the left shoulder is the one granted in the year 1128 by the Supreme Pontiff Honorius II to the first Knights Templar Grand Master, Hugo de Paganis. Following internal hierarchic level of chivalry, the cloak is worn over a white coat with a red patent cross on the chest and at the waist a leather belt. For the Women: A black cloak with hood and a red embroidered lozenge on the left shoulder, worn with a white scarf knotted at the neck.

➤ **Rite of Christian Initiation for Adults** – RCIA classes are alive & active in our parish! If you or someone you know is interested in learning about the Catholic Faith & possibly joining the Church, please contact the office at 419-542-8202 or saintmichaelhicksville@gmail.com.

ALL are Welcomed to attend & learn more about Christ's love for EVERYONE!

➤ **Right-to-Life Prayer Group** I hear babies crying in the wombs, "Come save me. Come pray for me." Let us all unite in the fight against abortion & contraception & pray the Rosary for the fight against abortion with a few added prayers after the Rosary. Bring any prayers you may want God to hear. We will meet the first Monday of every month at 6:30pm in the Church. Families are welcome: education is a key to prevention.

This is not a Democrat issue, not a Republican issue, nor is it a union issue. It is a moral issue! It is about the sanctity of every human life. It is about protecting our children from abortion and the transgender movement. It is about the possibility of losing our current laws protecting life. And it is about keeping our parental rights. Come learn and join in to band together in both action and prayer to help defeat this terrible amendment coming up November 7. Sponsored by Henry Co. and Putnam Co. Right to Life and presented by Right to Life Action Coalition of Ohio.

The "Fetus"-----Human Life Or Not?

For many years, their most significant and basic argument has been that the so-called fetus is not a human life; it's just a simple mass of tissue or part of the pregnant woman's body. They also claim that the question of when human life begins is uncertain and a religious issue.

However, medical textbooks and scientific reference works consistently agree that life begins at conception, when a genetically distinct individual is brought into existence. Some of the world's most prominent scientists and physicians testified to a U.S. Senate committee that human life begins at conception. At these same hearings, pro-abortionists, though invited to do so, failed to produce even a single expert witness who would testify that life begins at any point other than conception.

From the moment of conception, the unborn fetus is not simple, but very complex. The newly fertilized egg contains a staggering amount of genetic information, sufficient to control the individual's growth & development for an entire lifetime. The key word is development. Like a toddler or adolescent, the term fetus does not refer to "non-humans", but to humans at a particular stage of development. It is scientifically inaccurate & untrue to say a fetus is not a human being simply because he or she is at an earlier stage of development than an infant.

Being inside something is not the same as being part of something. The mother & the unborn child are two separate individuals & half the time, they are not even the same sex! The child has its own DNA, fingerprints & blood type, distinct from the mother's. The unborn child even takes an active role in his or her own development, even controlling the course of the pregnancy & the time of birth.

through their children guiding them personally and professionally.

14 August 2023

Reverend Daniel Borgelt
Saint Michael Parish
100 Antwerp Drive
Hicksville, OH 43526

Dear Father Borgelt and Parishioners of Saint Michael Parish,

All good greetings in the Lord! Please accept my deep and heartfelt appreciation for all that you and the parishioners of Saint Michael Parish accomplished during the Living Christ campaign. The fruits of these efforts will benefit your parish and our diocese for years to come.

Together with you I recognize and honor all of the energy, dedication and commitment that resulted in not only achieving but exceeding goal. The results are a direct reflection of the amazing work of the parish staff and volunteers, as well as the abundant generosity of so many parishioners.

As you know, the Living Christ campaign began with a very ambitious goal of \$65 million. Counting all the parishes of the Diocese of Toledo and lead gifts, collectively we have raised over \$104 million! Thanks be to God! I, and so many others, have been so moved by the generosity of those who helped us achieve this goal. Our successful and historic effort required so much from so many. You were an integral part of this success, and I am forever thankful for your efforts.

We have been truly blessed to work together through this Holy Opportunity to renew our dedication and support for the mission and ministry of our entire diocese, all of our parishes and all of our institutions. We have evangelized today, so that Christ may continue to live among us and in us.

In recognition of your wonderful work, I am pleased to present your parish family with a campaign memento of a Living Christ glass plaque, which I hope you will display with pride and joy. Please know as I look at the original stained-glass roundel in my living room, I am reminded of the incredible fidelity and generosity of so many faithful throughout our diocese. It is my hope that this memento may serve as a constant reminder of the gift your parish is to our diocese, and of our ongoing witness to the Living Christ.

Again, please know how truly grateful I am for your sacrifice, tireless efforts, and wonderful generosity. Thank you for sharing the love of Christ and announcing He is living in and through us. Be assured of my prayers, I continue to depend on yours.

Gratefully yours in Christ Jesus,

Most Reverend Daniel E. Thomas
Bishop of Toledo
